Here are a few poems from Here’s to Loving You:

“To my new life”

As I get ready this day,
I slip on my gown
I smile and cry
And look all around
I start my new life today
With that man in the tux
I pledge him my heart
He pledges his love
We will be happy
Together for eternity
Just the two of us,
You and me
I walk down the isle
I saw my vows
When it’s all over
There are smiles and tears
All around
I make a toast
To my new life
As I grab my groom
And hold him tight...

“Let me count the ways”

I love you dear, I do
I may not show it
But let me count the ways
I love you for making me
Who I’ve become today
I love you for taking my hand
And kindly leading the way
You taught me to share
To search for truth
You were here for me
During my youth
Now I am here
To count the ways
To tell you I love you
And hope you’ll always stay
For I wouldn’t be nearly the person
You’ve helped me become today
So my dear I truly love you
I can’t even count all the ways...

“To love and to hold”

I want to have you, to love and hold,
Through the bitterness of the world
And through the miserable cold
I want you to know
That I love you
I always have and I always will
That is the promise
To you I will keep
It's all pretty easy, just you and me.
Together forever to the end of the world
This I will give you
Three little words,
I'll never take you for granted
I want to have you, to love and to hold.
My dear oh how I do love you...

“Wish I may”

Wish I may
Wish I might
Fall in love
With him tonight
Little star
Up in the sky
Please let him be
My special guy
Let our hearts
Be not as two
But mingled in
As one tonight
Little star
Up in the sky
Wish I may
Wish I might
Fall in love
With him tonight...
